

LIBRARY TIPS #19

HEALTH INFORMATION RESOURCES

Healthcare requires reliable, up-to-date, and easy-to-access sources

NMS Library provides access to essential resources to support **study, clinical practice, research,** and **evidence-based decision-making.**

SUPPORT PLATFORMS

Integrated learning

A study support platform with clinical explanations, practice questions, images, 3D anatomical models, and useful tools to consolidate knowledge. It offers study plans tailored to the PNA.

Use to:

- ➔ Review clinical topics
- ➔ Quickly look up key concepts
- ➔ Practice clinical reasoning
- ➔ Prepare for the PNA
