

LIST OF ERASMUS+ INTERINSTITUTIONAL AGREEMENTS 2024/2025

Important: For Teaching Mobilities (STA) it is compulsory to have an interinstitutional agreement with the partner Higher Education Institution established by the start date of the mobility. For Training Mobilities (STT), professors may choose any institution, regardless of the establishment of an interinstitutional agreement. Any mobility will only be confirmed after the host institution agrees to receive the professor and once all parties sign the Mobility Agreement.
